

## **Belmay Primary School Mobile Phone Policy**

*In the first instance, students are not encouraged to bring mobile phones to school.*

**It is the policy of Belmay Primary School that:**

- Where a student brings a mobile phone to school it is to be switched off and kept secured for the student in the Administration area until the end of the day. At the conclusion of the school day the student can collect their phone for use outside of school.
- If a student has a need to contact their parent during the day, normal procedure of going to the office to use the school phone or seek permission to use their mobile will be decided upon by the Administration on the basis of the necessity of the call.

The above measures are in place to protect the property of the student and minimise the disruption and distraction which can result from phones being used during school hours.
