

Connect and Respect Engagement

Expectations that promote learning, wellbeing and safety in all public schools in Western Australia.

Together we make a difference. We welcome parents and other members of our diverse community into schools across Western Australia. Student learning is strengthened when school staff, parents and carers are actively and positively involved in their education.

We all share a responsibility for providing a safe, supportive and productive environment, free from bullying, harassment, discrimination and violence.

Parents and carers and other visitors to schools support safety by ensuring communication and conduct at school and school activities is respectful. Every student, staff member, parent or carer has the right to feel safe and be safe at our schools.
