

To the Year 6 Graduating Class 2020,

It has been my absolute privilege to get to know you all as our Year 6 students, as you tackled the many challenges that lay ahead of you. A year of challenges met, mountains climbed and summits conquered! You have proudly upheld our school's values; always choosing respect, demonstrating responsibility, working together as a team and accepting each other's differences. And you have personalised your journey to strive for excellence and worked towards being the very best version of yourself that you can be!

I hope that the students graduating this year will be surrounded by people that care about them as much as the staff of our school, and that also provide them with the encouragement and diverse opportunities to help them reach their potential beyond the boundaries of Belmay Primary School.

Congratulations to The Graduating Class of 2020... you will also be a part of the Belmay family as you face the next chapter...So continue soaring, continue boldly stepping forward and continue marching towards the beat of your drum!

From Mrs Durham and Belmay Primary School

Staff Leaving 2020

On behalf of all of the Belmay Primary School community, I would like to sincerely acknowledge the efforts and tireless commitment from three of our teachers who are leaving; Mrs Cath Brett, Mrs Holly Clark and Miss Rebecca Fleming.

We thank them for the personalised care that they afforded each and every student and wish them all every future success in their endeavours.

And finally...

I'd like to take this opportunity to thank you all for your continued support throughout this very interesting year!

Just a reminder that February 1, 2021 is the first day back for students next year. For all additional information please also visit our school's website located at : <https://belmayps.wa.edu.au/>

Wishing you a very Merry Christmas and a safe and happy holiday and we will see you all in 2021 which is sure to be a very exciting year indeed!

Kind Regards
Sarah Durham
Principal
